

# Chapter 10

## Face Forward

So these are the costumes that Shirokane-san made.

Right.

Right, Sayo -sa-...?

We're like real black knights... destroyers of darkness...!

We'll be able to pass tomorrow's contest for sure with these...!

W-Whoa... These are so amazing!

Her artist's touch is more than I'd imagined.

Each costume is slightly different, designed with each member in mind.

If it's just us two here, she might get mad again....

I hope everyone else comes soon.

She is... praising Rin-Rin, right?

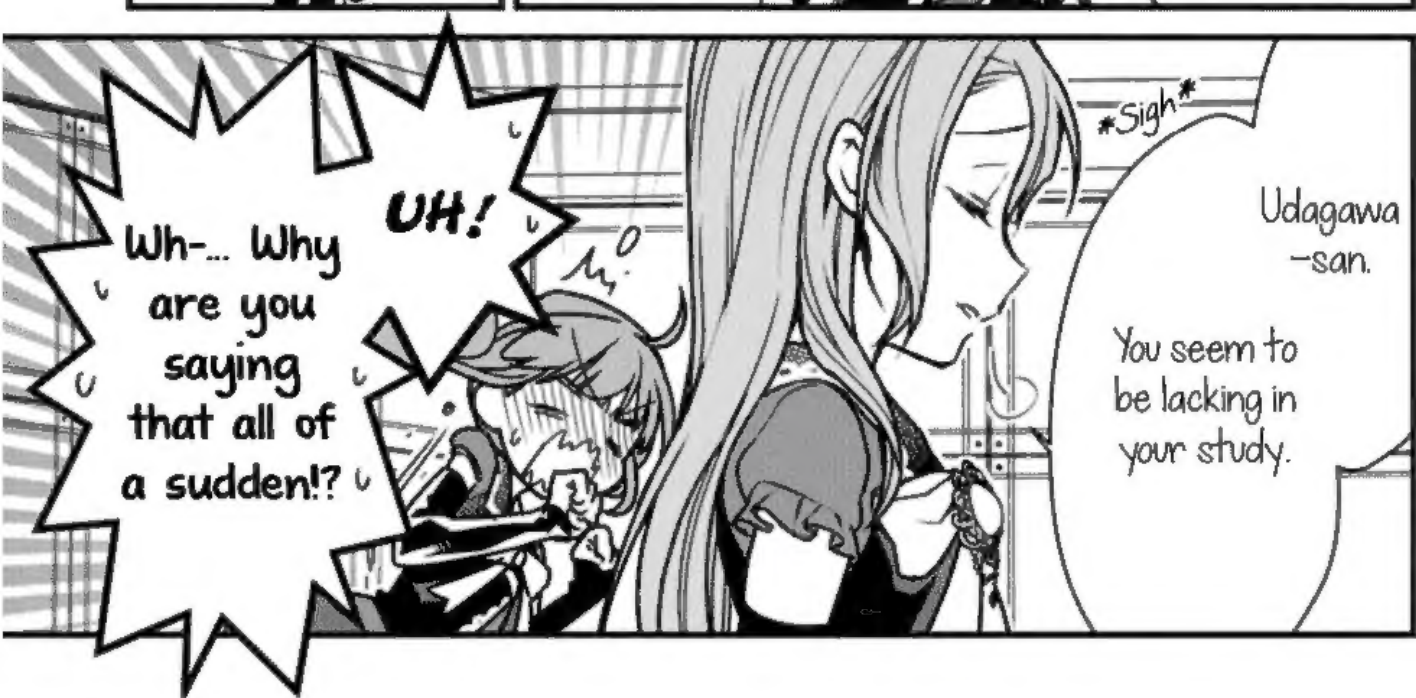

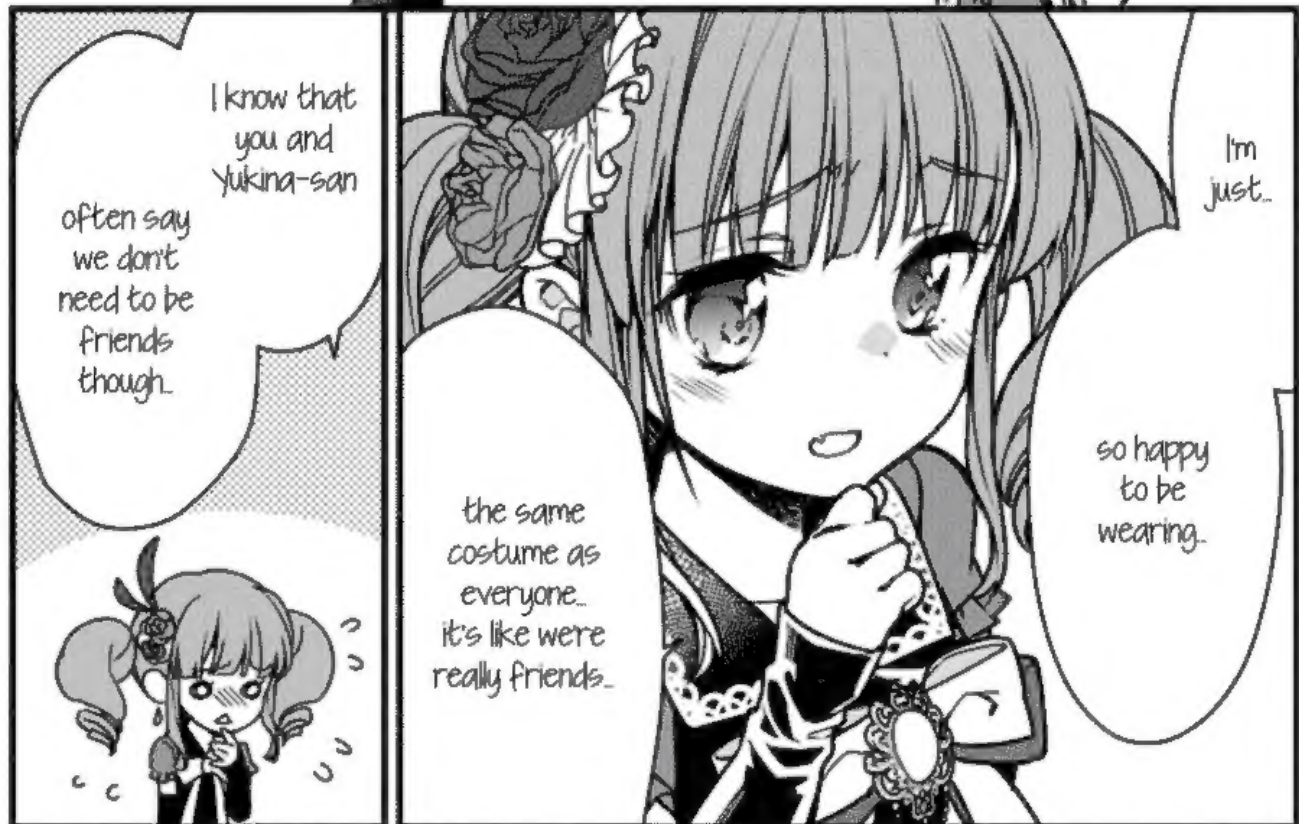

UGHN!

I...-  
I don't...  
know.

Didn't you say  
you're the  
second-best  
drummer in  
the world?  
  
Do you know  
where the  
word "band"  
originally  
comes from?

Just for the  
fact that some  
people do the  
same thing  
together...

is enough to  
qualify them  
as "friends".

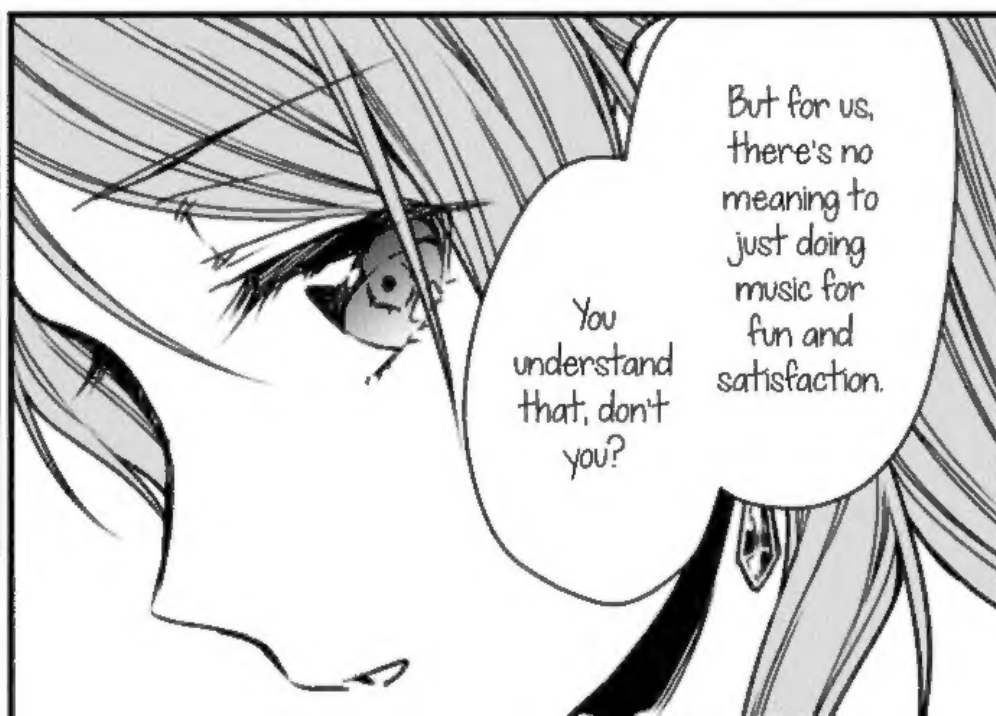

I don't like  
the word  
"friends".

The original  
meaning of  
the word  
"band" was  
a "bond", or  
a "bundle".

It had  
nothing  
to do with  
music.

Y-Yes!

You  
understand  
that, don't  
you?

But for us,  
there's no  
meaning to  
just doing  
music for  
fun and  
satisfaction.

I want us  
to be a team  
that's always  
pushing and  
criticizing

We're  
aiming  
even  
higher.

In other words,  
the more we  
recognize each  
other's abilities,

trust each  
other, and stake  
everything on  
each other, the  
more we get  
out of it.

each other  
for the  
purpose of  
achieving  
our goal.

Sayo  
-san....

Is all of that  
what you refer  
to as simply  
"friends"?

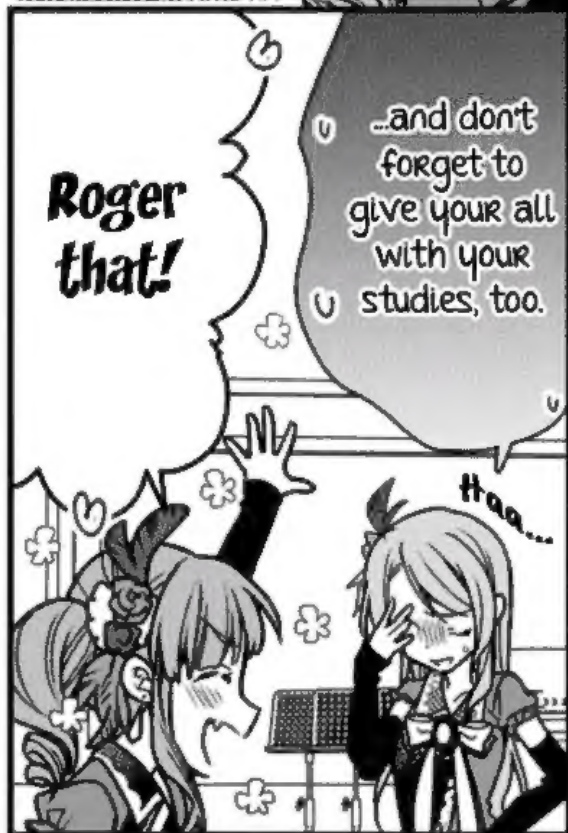

Despite your shortcomings, you are the one that Minato-san and I recognize as Roselia's drummer.

So...

It's upsetting that you assume that there is nothing like that between us members of Roselia.

**Roger that!**

...and don't forget to give your all with your studies, too.

and we'll keep critesaizing each other!!

I'll keep giving my all into my drumming,

A-All right...!!

Ah,  
Lisa-nee~!

WHA...  
those  
costumes  
are  
amazing!

Heyal  
Sorry to  
keep ya  
waiting~

They suit  
both of  
you so  
well!

Just wow,  
they look  
super  
great!

Yeah,  
sure!

You two should  
hurry and  
change too.

Rin-rin,  
they're  
so good!

Right!?

I'm  
lovin'  
these!

Just how  
talented  
is Rinko!?

Rin-rin  
is really  
incredible!

He-...  
Hello...

I-I'm not...  
really...  
all that...

These clothes  
are just like  
Roselia's music  
itself,  
don't you  
think?

It's just that  
these kinds of  
costumes suit  
Yukina more..  
so I  
subconsciously  
tend to avoid  
them.

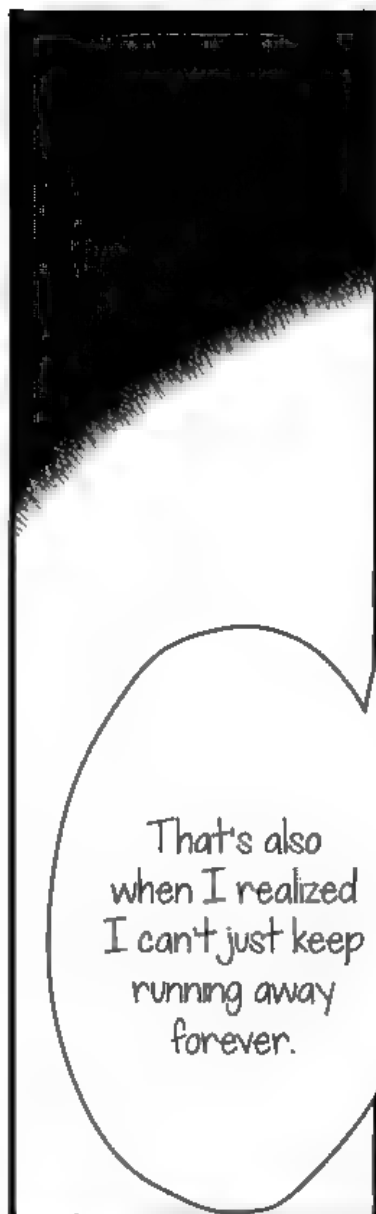

someone  
like me just  
doesn't really  
fit into them.  
I'm not like Yukina,  
who takes it far  
more earnestly..

That's why...  
in a way,

Imai-san.

But...

When you  
worked up the  
courage to say  
you can play  
piano, joined  
Roselia,

That's also  
when I realized  
I can't just keep  
running away  
forever.

and made these  
costumes for  
everyone by  
yourself...

I'm every  
bit as timid  
as you are!

But...

so  
positive...  
unlike me...

Imai-san...  
you're  
always...

That's why  
wearing this  
costume you  
made gives  
me courage!

\*Ka-chak\*

Oh.

You've  
finished the  
costumes.

The  
courage to  
be more  
upfront  
about

both the  
things  
I love

..and the  
person  
I love.

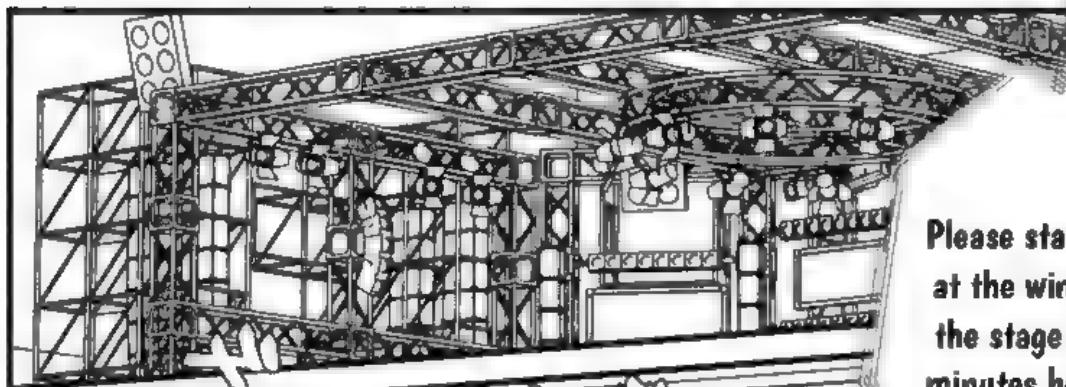

Yukina  
-san!

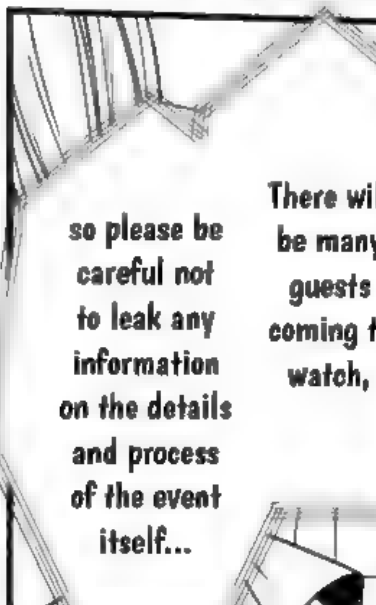

All  
performers!

Please standby  
at the wing of  
the stage five  
minutes before  
your turn!

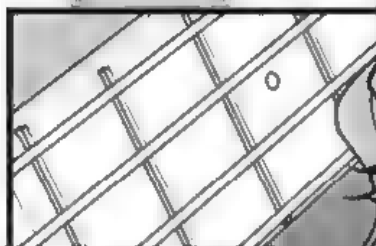

so please be  
careful not  
to leak any  
information  
on the details  
and process  
of the event  
itself...

There will  
be many  
guests  
coming to watch,

The main  
contest is  
a public  
event.

\*Phew\*

It's just as Sayo  
and Yukina said,  
we finished the  
documents and  
sound checks  
pretty quickly....

But... from here  
on out, it's the  
real thing..!

Uuuh...

Geez...

Even after  
I messaged  
you to be  
careful not  
to forget  
anything..

AWA  
WA  
WA

Aaah,  
dang  
it!

I FORGOT  
MY GUITAR  
STRING  
LUBRICANT  
SPRAY!

Thank...  
you..!

...Here.

Use  
mine.

The stage is  
super big.

Rin-rin,  
are you  
okay?

She's  
kinder..

Sayo...  
She's a bit  
less... prickly  
than before.

that I feel  
at ease  
when I'm with  
my keyboard...

I think  
I'll be fine...  
I've recently  
noticed...

Are you gonna  
turn blue like  
you used to?

**I totally  
get that!**  
**I feel super  
invincible  
when  
drumming  
too!**

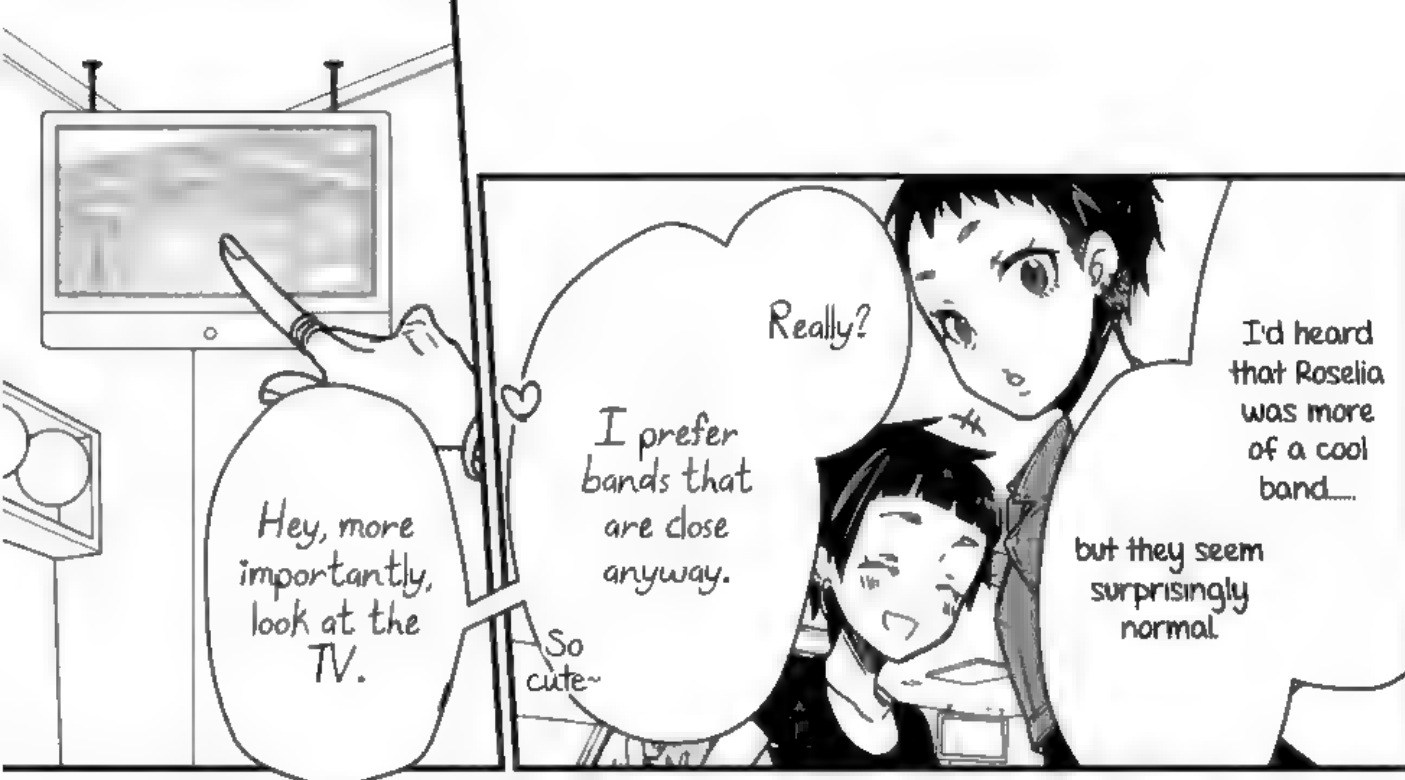

Ako.

There are  
other people  
here, so don't  
make too  
much noise.

**Okay!**

**Let's show  
them the  
results of  
our training!**

Hey, more importantly, look at the TV.

Really?

I prefer bands that are close anyway.

So cute~

I'd heard that Roselia was more of a cool band....

but they seem surprisingly normal.

\*Jolt\*

Ah, it's Pastel\*Palettes.

Ah!

...Imai-san, have you finished with the spray?

Uh, yeah...

Thanks!

I need to use it too.

They still haven't officially debuted yet, but they're being pushed pretty hard, even though only the guitarist and drummer actually seem any good.

Even Rinko,  
who doesn't  
like crowds...  
and Ako's  
enjoying  
herself too...

Sayo's...  
completely  
unfazed by  
Hina now.

Huh?  
Yukina?

And  
Yukina's...

Even though  
it's right  
before the  
contest,  
everyone's  
amazing....

I was  
trying to  
find you  
in the  
dressing  
room!

I finally  
found  
you~

Yukina,  
there  
you are!

I'm not going to betray our efforts.

I'm going to give my everything... no matter the results.

Yukina...

No matter how much we prepare at this point, whatever will be, will be.

\*nonchalantly\*

EEEH?

Wha-

ROSELIA'S leader is making a REMARK THAT CASUAL?

...Why are you staring at me like that?

Is it because she's used to performing by now?

...Even though Yukina's the most serious about FUTURE WORLD FES..

.....That's  
right.

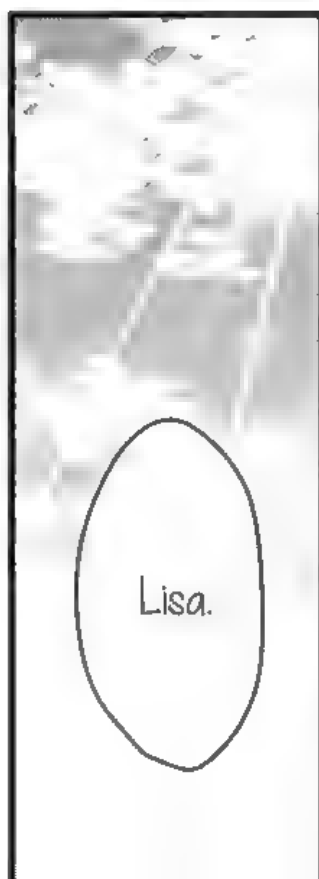

Oh, it's  
just that

I thought you  
look very  
relaxed.

to hide  
anything  
anymore.

I'm feeling  
glad that  
I don't need

Lisa.

..yukina.

No problems  
here, I'm  
ready to go  
anytime.

We're up in  
five minutes.

HYAAAE?!

OKAY!

...Lisa?

Lisa-nee...

Lisa.....

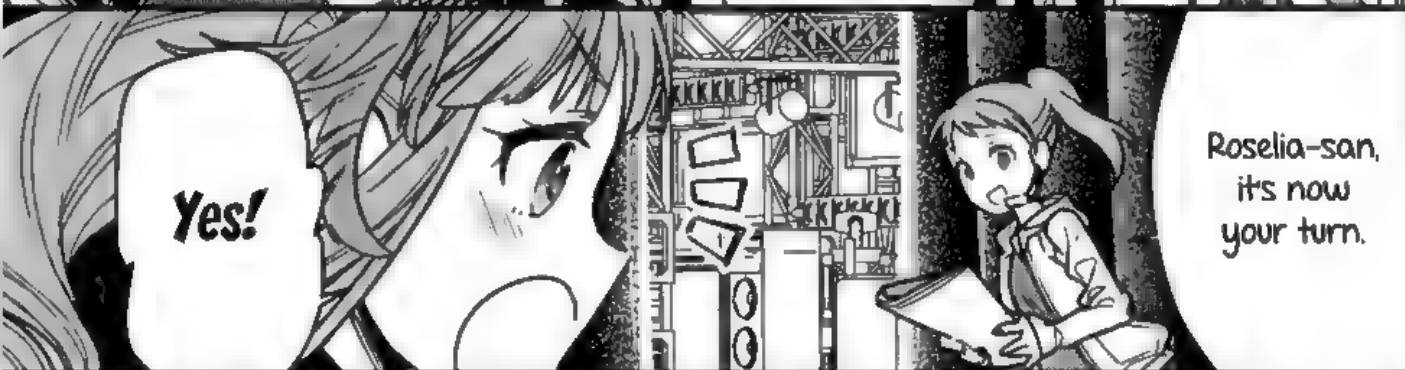

I-I-I-I-  
I'M  
OKAY!  
HA  
HA  
HA!

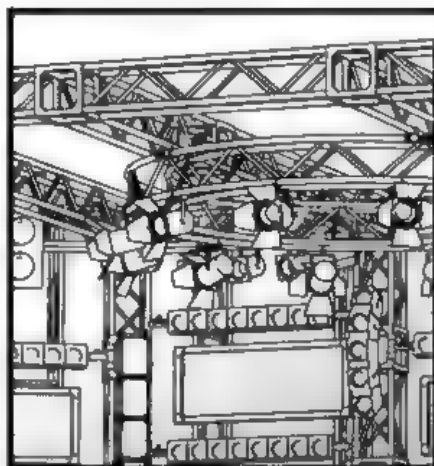

I-...  
I'M NOT  
NERVOUS,  
NOT AT  
ALL!!

I guessed  
this earlier,  
but are you  
nervou-.....?

That's  
right.

I just need  
to face the  
stage now...

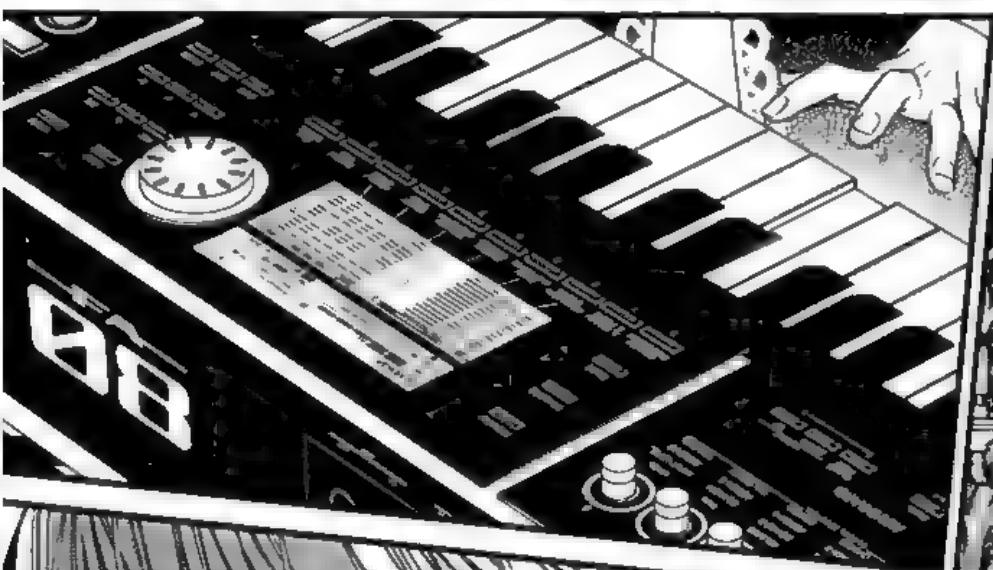

Thank  
you...

Sayo...

How...  
strange...

I've NEVER  
felt this  
calm before  
in my life...

Rosella  
really  
does...

have a  
magic  
power!

To make me  
so much  
more cooler  
than ever..!

I can't  
believe  
this!

Even  
though  
I was so  
nervous  
before!

...Neither  
the cheers...  
nor the  
lights... are  
bothering  
me at all.

Just... by  
being in  
Roselia

I can be...  
just a bit  
stronger...

could  
be this  
fun..!

I never  
knew  
that  
singing..

I can't even  
think about  
anything  
anymore.

WAAAAHHHH!!
